RE: Andrew Mogilyansky

Dear Judge McLaughlin,

I have known and conducted business with Andrew for almost five years. Since our initial introduction when I was struck by Andrew's high level of business morality, I have since taken the time to get to know Andrew's personal interest and goals. To this extent I have found Andrew, time and time again, to be energetic and enthusiastic in his efforts to raise public awareness about and obtain financial support for "his" MoscowHelp children. His efforts in bringing several affected Beslan children for corrective surgery here in the states and housing them in his own home takes an extraordinary commitment to compassion.

Your honor, please know that the Andrew I know is a man to look up to and emulate.

Sincerely,
