Dear Judge McLaughlin,

My name is Irina Shulyakovsky and I have worked at Russian Yellow Pages as an advertising agent for approximately 5 years. Andrew Mogilyansky is the President of Russian Yellow Pages, and I have known him from the first day I started working with company.

For all these years, I have come to know Andrew as an exclusively kind, supportive, and honest individual. Every day Andrew is involved in the endless flow of business duties for his several businesses - talking to clients, suppliers, creditors, and supervising his subordinates. I have always been impressed by his professionalism, diligence and ability to work non-stop around the clock.

Despite his extremely busy lifestyle, Andrew is very caring and always goes out of his way to help when his employees or friends need help. He is the type of person that you can call whenever you are in a difficult situation. When my daughter and I got into a terrible car accident, although it was 2 a.m. at night, Andrew was first to come and help us out. Also, when my mother was in a hospital diagnosed with a serious heart disease, he was extremely understanding, and he supported my family in all possible ways during that difficult time.

Also, when I had a newborn baby, he accommodated me with special working conditions and convenient working schedule, even though it was probably not in the company's best interest business-wise. Whenever I need his professional advice or assistance, he is always there to help. I will never forget his kindness and will be grateful to him forever.

Should you have any questions regarding Andrew Mogilyansky, I would be happy to answer them at your convenience.

Respectfully,

*Irina Shulyakovsky*
