Dear Judge McLaughlin,

My name is Sergey Novak. I am a co-founder of BNN, Ltd., a company specializing in import and sales of new cars.

As Andrew Mogilyansky's business associate, I gladly offer this character reference to show my support for him during this difficult time and to tell you about what a good person Andrew is.

I have had a pleasure of knowing Andrew Mogilyansky for the past 2 years in a professional capacity, during which time his company has been our supplier. I am greatly saddened by Andrew's situation. Andrew is very dedicated to his work and he is an extremely trustworthy individual. We have always been highly satisfied with every aspect of dealing with him and his company.

In my experience I have found Andrew to be an honest and honorable businessman. He always keeps his word and never lets his partners and associates down. Our business will suffer tremendously in the period of time when Andrew is not around, especially in the current economy. I am confident that his absence will have the same negative effect on everyone who has been doing business with his company. His understanding of the market, strategic thinking and sharp mind are irreplaceable by anyone else. Therefore, I would like to ask you for your kind leniency in sentencing him.

I hope that my letter has helped you get to know Andrew Mogilyansky a little better. Thank you very much for your time and consideration of my letter.

Respectfully,

Sergey Novak
