Honorable Judge McLaughlin,

My name is Tetyana Glubokova, and I am currently working for Intelligent Publications, Inc. company.

I have known Andrew Mogilyansky since my relocation to Philadelphia in 2002 and I am writing this letter to let you know what a truly good person he is. For many years I worked next door to his office and have seen him day by day, hour by hour. Sometimes I met him on weekends for company gatherings and picnics, when we celebrated milestones, birthdays, and also honored the memory of a passed friend.

I know Andrew Mogilyansky as a very kind and friendly person. He is also a very talented and highly educated individual. He worked very hard all the time building his business brick by brick. He didn't allow himself to have an extra minute of rest. It seemed unbelievable for me how much he can work without getting tired.

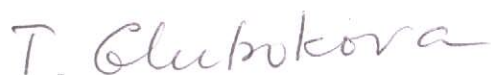

Andrew did his best to create the best possible working environment for others working with him. He is also a very polite and open-minded person with great sense of humor.

He is always ready to help everybody who needs help and support. When he decided to create the Foundation to help Beslan children, he worked 24 hours per day and 7 days per week just to help the children. This Andrew's action expresses his character very efficiently.

I have also seen day by day the perfect example of Andrew's attitude towards his lovely family, which is extremely important for him. He took care of everyone, including his wife, kids, his dad and other relatives. I met Andrew once in a grocery store when he was shopping with his family. And I saw how his children expressed their love to him kissing and hugging him. Those were very touching moments.

Thank you so much for taking the time in reading this letter regarding Andrew Mogilyansky. I can be contacted at 215-609-0942.

Sincerely,

Tetyana Glubokova
