The Honorable Mary A. McLaughlin
United States District Court
601 Market Street, Room# 13614
Philadelphia, Pennsylvania 19106-1723

June 10, 2009

Honorable Judge McLaughlin:

Please be advised that I am a law- educated executive working for a title agency which has done numerous closings with Andrew Mogilyansky over the past 6-7 years. I have known him to be a bright, innovative and fair individual , a legitimate and successful business person and an integral and productive member of the business community, locally and internationally.

As I understand it, he has also been very active in a number of charities and has helped numerous victims of terrorist attacks put their lives back together and leave the horror of those terrorist attacks behind them.

I ask you to consider those qualities, Andrew's productive and creative nature and the good Andrew has done for others and will continue to do if given a chance in passing your sentence.

Sincerely,

Vladimir Goykhman
