The Honorable Mary A. McLaughlin
United States District Court
for the Eastern District of Pennsylvania
U.S. Courthouse
601 Market Street, Room #13614
Philadelphia, PA 19106-1723

Dear Judge McLaughlin,

My name is Lana Mogilyanskiy and I am a Senior Manager of a Virology Department at Charles River Laboratories, a contract research organization. My department produced many live viral vaccines for the US government (under the NIH contract).

Andrew and his father sponsored my family's arrival to United States in 1995 (our fathers are brothers and Andrew is my cousin). My parents lived in Andrew's house for almost 2 years after our arrival to US (my father was disabled and life in an apartment complex would have brought the quality of his life significantly down). They moved out in 1997 after I bought a house.

I have known Andrew for about 34 years (and for the past few years we saw each other more than weekly) and I have nothing but good things to say about him. He is a smart, caring, kind person. He is a good father, great husband and friend I can always count on. In my will (which is currently "in works") Andrew is listed as the person who will oversee and take care of everything that will be left from me (including my 5 year old daughter) in case of my accidental death.

I hope my letter helps you to better understand what kind of a person Andrew is. Please be lenient while imposing a sentence on him. Thank you for your time and your consideration to this letter!

Respectfully,

Lana Mogilyanskiy
