Re: Andrew Mogilyansky

Dear Judge McLaughlin,

My name is Polina Teniaev. I am a Registered Nurse, I just graduated from the Eastern University.

I have been a good friend of Andrew Mogilyansky and his wife Oksana for the past 7 years, since we met when we were neighbors at a condominium complex.

I know Andrew Mogilyansky as a loving and caring person.

I often come to their house for dinner. I enjoy being around them. They are my true and only friends.

Andrew is excellent father to his 3 children. He usually works long hours, but whenever he is at home in the evenings and on weekends, he makes sure he spends as much time as he can with his kids. I have observed him when he came home, he runs to his children and starts playing without even changing his clothes. His children love him and miss him a lot. His wife is an angel that cares and helps everyone in need.

Andrew Mogilyansky has the biggest heart. I have always known I can count on him in difficult times. He helped me when I was in a difficult situation. Being a single mother, I was in a terrible financial situation, and he borrowed me money that I critically needed to take me out of the desperate position I was in. That was an example of true eternal human goodness.

I hope my letter will help you to get to know Andrew better. Thank you very much for you time.

Respectfully,

Polina Teniaev
